- We hardly ever had to show up to the classroom. Mostly everything was online. She never lectured so we had to do much more work outside the course. Plus there are three major assignments she dumps on you at the end of the semester. Shes very nice, but it is just a lot of tedious repetitive work.
- I absolutely LOVE DR. EARLS!! SHE IS THE BEST!! I would definitely recommend this course for other students! HUGE FAN OF DR. EARLS :)
- Professor Earls was a great teacher who made class enjoyable and fun. I did not really like having class online, however, time in class was always very informative.
- I loved your class!! I went into it thinking that I wouldn't like it, but it ended up being one of my favorite classes this semester! Thank you!
- Thank you so much for class this semester. I really enjoyed every day learning more about history.
- Thanks for a great semester! I really enjoyed the class.
- twas enjoyable, informative, and tasty
- provides many different readings to offer many different perspectives
- Wayyyy too much outside class work where it consumed my semester in comparison to all my other classes
- This class chooses content, leaving learning behind. Nice teacher, and easy to communicate with, but with less agenda a better environment may be built. We all have outside lives and it was difficult to find time to do quality work.
